Laminate Never Looked So Good

Grow your business with Precut & Preassembled Services

Multi-Unit Jobs
Efficient & Accurate

Our team has the experience and knowledge for all your orders. Provide the specifications or templates and we'll take care of the rest.

We'll Ship Preassembled

Short on labor? - Let us help with precut or preassembled tops. We have the space and the manpower to tackle jobs big & small.

Experienced & Knowledgeable for
All Configuration Builds

With our fleet of trucks, Counter-Form ships countertops throughout the Midwest. We also have the ability to drop ship for large multi-unit projects.

Spend your time growing your business and let us help with your production. Our services are designed to compliment your needs. Custom to volume, assembly and sink mounting - we can do it all!

Padding / Build-up
Loose or Applied

Precut & Preassembled Services

My business was growing and experienced workers were hard to find - Counter-Form's precut services helped me meet my deadlines.

Bob S. - Bloomington, IL

Sink Cut-outs &
Undermount Sink Installations

In-House Fleet
with Job Site Delivery Capabilities

When business as usual, is anything but... let Counter-Form be your go-to source to keep your business moving forward. Building counter-tops and relationships for over 45 years.
